The IBSSA – ISF based its activities during the last three years.  
ISF is an amateur professional sport federation of the professional world security community.

We are dealing with all sports and physical activities that connected to the training and well being of the security personal:  
Martial Arts, fighting sports, combat shooting, dogs, horses ect....  
We created a very firm leadership for all IBSSA - ISF activities.

Last two years we started the tradition of the "World Martial Art Festival".  
The Festival is a fine blend of high level clinics, qualification courses with leading Master Teachers Team from wide range of disciplines and top level sport events with our own unique ruling system.  
Our most successful projects which brought together hundreds of participants from all continents where arranged in Italy and in Latvia.  
In the future we are aiming to enlarge activities, create an elite multi disciplinary sport federation.

IBSSA – ISF is the best place for sport activities, accreditation professional advancement, in a democratic and friendly atmosphere.
