In attendance:	Silvere <b>Salvisberg</b>	Chairman of the Department
	Rony Kluger	Member
	Miklos Varga	Member

1. The program of "CEFAS" was accepted by the members of the Education and Qualification Department.
2. Each country can add its own needs to this basic program.
3. Every course will be an official IBSSA course under supervision of at least two qualified IBSSA Instructors.
4. Only IBSSA officials appointed by the board can certify the status of the applicants.
5. The Education & Qualification Department will invite special advisors if there is any need for them, i.e. combat shooting, computer, etc.
6. Until the year 2000 every certified IBSSA Bodyguard has to renew his license. After that date the renewal will be done every three years. The rules and dates for the renewal will be published by IBSSA.
7. Special priority is given to the qualification of the Instructors of IBSSA.
8. In six months the department will provide an Instructors Qualification Program.
9. Every three years the Department will hold a conference including clinics, lectures, courses, and tests for upgrading and improvement of the security agents.
