Annex 1

Bank Security Department

MEMBERS:

Avi Bleier, Israel - Chairman

Mrs. Chiu, Chinese Taipei

Pavel Florescu, Romania

Otto Kerti, Hungary

Jeno Nagy, Hungary

Several bank security issues were discussed, especially the following:

- Human factor,
- High-tech concerning data security.

Until the end of January 1997 working papers concerning bank security will be elaborated and circulated between the members. A further meeting might be necessary to decide the next steps on bank security.
