4th IBSSA Congress

22nd November 1997

Miami Beach, Sunny Isles, Florida, U.S.A.

Report of the Executive Committee

After the 3rd IBSSA Congress 1996 in Israel members of the Executive Committee met in

- Sun City, South Africa for a regional conference,
- Geneva, Switzerland to discuss the qualification standards,
- Bucharest, Rumania to establish the European Head Office of IBSSA and to meet with the Minister of Home Affairs and the Minister of Sport,
- Arezzo, Italy for a Board Meeting,
- Taipei, Taiwan for a meeting with the Chinese Taipei IBSSA officials about the Children Safety Training Camp,
- Budapest, Hungary to sign an agreement for setting up an IBSSA Baltic States Office.

IBSSA was represented at the Riga Security Show in Riga, Latvia as well as at the Safety and Security Show in Budapest, Hungary.

IBSSA was registered on the main search engines of Internet. An advanced database for IBSSA will be launched in the beginning of 1998.

There have been communications with the Police Departments in various countries like the DEA in Florida in order to improve the Internal Security of IBSSA.

The Police Foundation of Hungary applied for membership in IBSSA.

No progress has been made in the preparations of the coming Bodyguard World Championships next year because of the lack of cooperation of the members. Also the Newsletter has not been published yet.

IBSSA has been registered internationally now.
