- * IBSSA is a non-profit organisation, therefore the balance of revenues and expenditures should be null. (0)
- * Higher other incomes from TV-rights and merchandise contracts are first later foreseen.
- * The very fast expansion of IBSSA still needs the extra contribution or free services of the members; otherwise the budget will not allow the necessary development.
- * This budget is nearly the same like for 2005, because the payment of membership fees in the last year was shoving a big deficit, if members will pay the fees in time, the financial situation will change to a very positive direction.
