

International Close Combat System Special Training Seminar in Belgium

*"All your life you train for the unexpected...
Now you get the chance to expect the training
you have been waiting for all your life."*

IBSSA Belgium and the UCCS (Urban Close Combat System) **crew** present the International Close Combat System Special Training Seminar, which will be held between **16 – 19 May 2008**.

This seminar will show you techniques never seen before in the Close Combat Martial Art form. Seize the opportunity to train with the Belgian IBSSA Close Combat Instructors as Mr. Didier COPPENS, Mr. Jurgen PERSOONS and Mr. Krisztian ZERKOWITZ. Experience the military way of training, to simulate, train and assimilate real life scenarios with real life responses THAT WORK!

This Special Training Seminar is organised in order to get together the leading professionals of the IBSSA worldwide and to introduce them to the system that will change their way of thinking about and during their protection work. Set up in a military fashion, the training will be hard, tough but foremost REWARDING...

The training will include the following topics:

- Hand to hand combat
- Knife-fighting
- Batons
- Special Close Combat Techniques
- Fighting the crowd
- Control techniques
- Protection while fighting
- And much, much more...

Equipment needed:

- Sport outfit (long pants, t-shirt, sweater)
- Boxing gloves if available
- Sport shoes, preferably soft soles
- Outdoor gear (durable long pants, heavy duty shoes)

Accommodation and Training Location:

The training will be held at a location in Belgium, which will provide all necessary logistical items. Accommodation is provided by the organization on the base during the 3 days of the seminar. For early or late departures, please call to make reservations at nearby hotels with special discount rate.
